

## An Opportunity for Teens to Develop Leadership Skills at LBYC!

## **Application**

Yes, I want to become a part of LBYC's Leadership Development Team! I want to develop leadership skills and support the Club's summer Youth Programs by working with the Swim and Corinthian Programs. I understand this application is not a guarantee of placement. I will be notified if I am accepted into the program, and if so, I will receive my assignment the week prior to the start of the summer programs.

## **Placement Information**

The Club's summer programs focus on teaching water safety, swimming and how to safely have a great time in the pool, the bay and the ocean. Your participation as part of the Leadership Development Team is an excellent opportunity for you to gain leadership experience and have fun in the sun for the summer with your friends from the Club. This Leadership Team is becoming an important aspect of all of our Youth Programs. The children of the Club look up to you as role models and as experts in all things "water"; the Leadership Development Team is an opportunity for each of you to shine!

In order to best place you in a position you will love, please take a moment to let us know of your interest, skills and previous leadership experience.
